## Revit Techs: Assistant Manager + Staff Drafters

We are looking for experienced Revit Drafters who want a rewarding and secure career at one of Utah's premier structural engineering consulting firms. This is a great opportunity to join an award-winning engineering firm based in Salt Lake City. Expand your personal and professional goals by being involved with notable projects for prominent clients

The winning candidates for these positions will develop an unparalleled portfolio of experience working on a broad spectrum of building projects. You will have access to state-of-the-art technical programs and mentoring from a design team comprised of professionals with advanced training and experience.

### Assistant Manager / Revit

- Perform advanced structural Revit drafting for building structures.
- Coordinate with drafting manager and engineering departments for project scheduling and assignments.
- Organize in-house Revit training programs.
- Collaborate with engineers for drawing production for all phases of design.
- 2-3 years of advanced Revit experience is required for this position.

### Staff CAD/Revit Drafter

- Perform basic structural AutoCad and Revit drafting for building structures.
- Drafting/Technology Certificate and/or relevant experience.
- Advanced training available in-house through Calder Richards.

### Company Benefits

- Competitive wages and awesome benefits
- Incentive bonus program
- 401K employer contribution
- Insurance for Medical, Dental, Life and Disability
- Vacation: 2 weeks to start in addition to sick leave + paid holidays
- Training programs
- Tuition reimbursement potential
- Professional mentoring
