

What Luck!

The luck of the Irish was not with us this time!

We realized yesterday, after sending out the meeting reminder, that the caucuses for the Republican and Democratic parties are the same night as we have scheduled for the Dynamo Class.

After speaking, Nikki and I have decided to postpone the WFRUG meeting for one week so that people who would like to attend either of those Caucus Meetings will be able to.

Please Visit <https://caucus.utah.gov/index.html> for more information.

This means that the meeting will actually be on March 29th at 5:30 at Hunt Electric (1863 W. Alexander St. SLC, UT 84119)

Thank you so much Bryan Cowles, IMAGINiT, and Hunt Electric for making the change.

If you have already filled out the RSVP and will be able to attend on the new date, YOU DON'T HAVE TO DO A THING!

If you have filled out the RSVP but will be unable to attend on the new date, please email me, and let me know.

And If you have not filled out the RSVP, and will now be able to attend on the new date click on the survey link, and let us know. <https://www.surveymonkey.com/r/67VXGLK>

I'm so incredibly sorry for any inconvenience this change may cause, but it felt like the right call to make. Thank you all for your continued support, and we look forward to seeing you soon!
