LIFE IS TOO SHORT TO FOLD FITTED SHEETS.

Or drive boring cars. Or eat kale. Or work for a company that doesn't care about you.

To expend your energy in a place that doesn't appreciate you... that would be the worst. Which is why Jacobsen strives to be the best.

Okay, full disclosure: We work really hard. We give it all we've got, every single day, because we're all owners here.

Jacobsen is a 100% employee-owned ESOP company—which means as long as we take care of business, it will take care of us. Knowing that makes it easy to take excellent care of our clients, and each other; it fuels our passion to achieve amazing things. And the rewards, big and small, are absolutely worth the effort.

If any of this is appealing, you should drop by our office April 12. Because, frankly, life is too short to work anywhere but here.

JACOBSEN *Making life better.*
